A Different Kind of School Catalog

This special issue of the school newsmagazine, the *Archon*, is published early each summer. We believe it is just as useful as the ordinary school catalog, and we hope it is more interesting.

Most of the text and many of the pictures appeared in the regular issues of the *Archon* published during the school year 1945-46.

The last four pages carry a roster of trustees, faculty and students for 1945-46.

GOVERNOR DUMMER OPENS WITH CAPACITY ENROLMENT

Governor Dummer opened its 183rd year on Wednesday, September 12, 1945, with a capacity enrolment of 174 boys. Every available dormitory space had been filled earlier this year than ever before, and during the summer many well-qualified candidates were refused admission for lack of accommodations. Because of the unusual pressure of applications, a few additional rooms were arranged in the attic and on the first floor of the Phillips Building in quarters not originally constructed as boys' rooms.

This year seventy-eight of the one hundred and forty-three boarding students come from states other than Massachusetts. There are nineteen boys from New York, and thirteen from Maine. Seven come from New Jersey, seven from Ohio, six from New Hampshire, and five from Michigan. Connecticut is represented by four students, Illinois by three, and Rhode Island and Wisconsin by two each. Pennsylvania, Virginia, West Virginia, Minnesota, Delaware and California are also included on the roster, as is Bogota, Colombia.

NOTED EDITOR ADDRESSES SCHOOL ON WORLD PEACE

Mr. Erwin D. Canham, editor-in-chief of the *Christian Science Monitor*, addressed the students, faculty and guests of Governor Dummer on January 25 in the Cobb Room. About eighty guests were present and the room was filled to capacity.

Mr. Canham was a member of the committee which went to England to invite the United Nations to choose Massachusetts for its permanent location. The first part of his talk dealt with the advantages Massachusetts might offer such an international organization, and with humorous aspects of the search for a site.

Mr. Canham then went on to discuss the United Nations and problems of world peace. He emphasized that we must now do our most serious thinking about world organization and not lose ourselves completely in the enjoyment of victory.

MR. EAMES NAMED TRUSTEE OF AMHERST COLLEGE

On Commencement Day, June, 1945, the headmaster was notified of his election to the Board of Trustees of Amherst College. He will act as alumni trustee and will serve a term of six years. He had recently served as a member of an alumni committee appointed by the college to formulate post-war plans for Amherst.

The Amherst Board of Trustees holds jurisdiction not only over the college itself but over the famous Folger Memorial Library in Washington, D. C.

After the service of induction, Mr. Delmar Leighton, Dean of Freshmen at Harvard University, spoke to the entire school on the subject of college entrance requirements

MILESTONE DANCE SUCCESSFUL

The annual *Milestone* Dance took place on May 4 in the Cobb Room of the Phillips Building. A formal dinner at 6:30 was followed by dancing which lasted until midnight with Ken Reeves and his orchestra providing the music.

Mrs. Eames acted as hostess to the boys' guests and contributed in many ways to the success of the festive occasion.

MR. EAMES SPEAKS AT ROXBURY LATIN SCHOOL TERCENTENARY

On May 18, the headmaster spoke at the Roxbury Latin School's Tercentenary celebration. The two-day program, in observance of the school's 300th year of continuous operation, was highlighted by the addresses of several educators, some of them graduates of the school. President Conant of Harvard and Professor Edward Thorndike of Columbia, both alumni of the Roxbury Latin School, were the principal speakers at a symposium on 'Selection and Guidance in Secondary Education' which took place on the morning of May 18. Dr. Lewis Perry, Principal of Phillips Exeter Academy presided at this symposium.

On the afternoon of the same day a second symposium was held on the subject of 'The Proper Balance and Emphasis of a Curriculum.' This session of the program took place under the chairmanship of Dr. George Norton Northrup, headmaster of the Roxbury Latin School. Dr. George D. Stoddard, president-elect of the University of Illinois, Dr. Claude M. Fuess, headmaster of Phillips Academy, Andover, and Dr. Eames were the principal speakers at the afternoon session. Dr. Fuess and Dr. Eames discussed the importance of the social studies in the modern secondary curriculum.

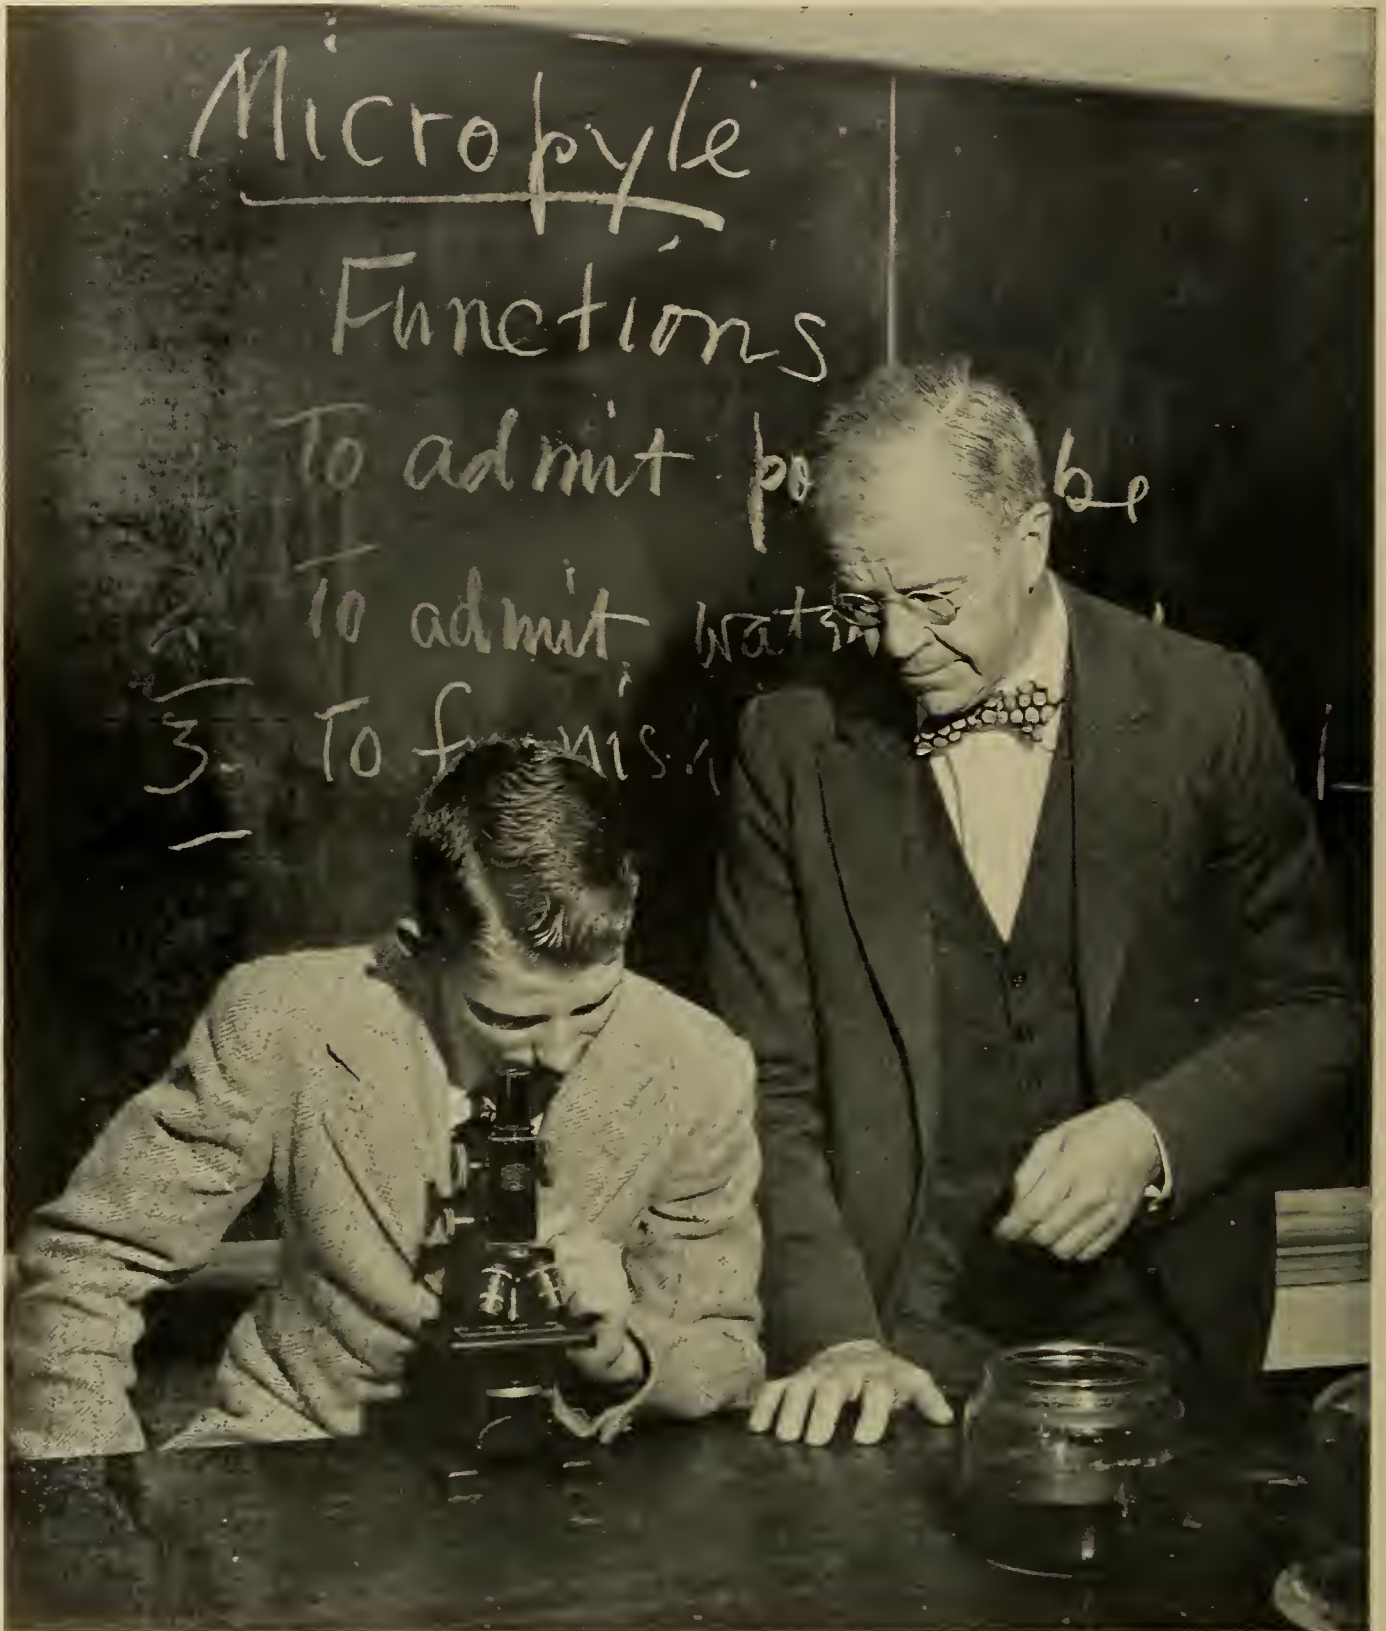

NEW DORMITORY BEGUN; TO BE CALLED "INGHAM HOUSE"

On November 4, at a special meeting of the Governor Dummer Board of Trustees, a contract for the construction of a new \$150,000 brick dormitory was awarded to the Walsh Construction Co. of Salem. Carpenters and surveyors have arrived on the scene, and the sound of saws, hammers, and steam shovels has become a familiar background.

The new dormitory will be named Ingham House to honor Charles Samuel Ingham, former headmaster. Dr. Ingham, who received his A.B. at Yale in 1891 and Ph.D. in 1896, was headmaster of Governor Dummer Academy from 1907 to 1930.

TREADWAY SERVICE OPERATES ACADEMY'S DINING ROOM

2,000 ATTEND SYMPHONY HALL FESTIVAL CONCERT

On Saturday evening, April 13, the Governor Dummer Academy Glee Club appeared in the second annual concert of The New England Preparatory School Music Festival Chorus at Symphony Hall, Boston. Dr. Archibald T. Davison of Harvard University conducted the Chorus, and the New England Conservatory Orchestra provided the accompaniment. The program included: *In Windsor Forest*, a cantata arranged by Vaughan Williams from his own opera *Sir John in Love*; Handel's *L'Allegro*, a setting for Milton's poem; and four chorales harmonized by Johann Sebastian Bach. The auditorium of Symphony Hall was well-filled for the concert, about 2,000 persons attending.

Mr. Arthur W. Sager, director of Governor Dummer's Glee Club, acted as business manager for the committee in charge of preparations for the concert. The Festival Chorus included the glee clubs of the following schools: Beaver Country Day School; Dana Hall; Walnut Hill School; Milton Academy; Phillips Academy, Andover; Phillips Exeter Academy; and Governor Dummer Academy.

GOVERNORS SING IN CONCERT WITH WINSOR SCHOOL GLEE CLUB

The Winsor School Glee Club and the Governor Dummer Glee Club gave a Christmas concert at the Winsor School, Brookline, on Saturday, December 15. This was the first program of the year for the Governors and came at a date much earlier than usual for the first recital. The concert began at eight o'clock after a buffet supper for the members of the two clubs. The two groups joined in singing Randall Thompson's 'Alleluia' and 'Two Psalms' by Holst. As their contribution to the program the Governors sang 'Miserere' by Allegri, 'O Bone Jesu' by Palestrina, 'Oklahoma' by Rodgers, 'Summertime' by Gershwin, and 'June Is Bustin' Out All Over' by Rodgers.

At the close of the concert both glee clubs joined with the audience of parents, students, and friends in singing Christmas carols. The choral program was followed by dancing which lasted until eleven.

ALUMNI MEET AT ACADEMY IN FIRST POST-WAR REUNION

The Academy's first alumni day celebration since 1941 took place on May 11 with about 125 former students attending, in spite of inclement weather. This was the largest group ever to attend such a reunion in the history of the school.

A full program had been arranged for the day. Luncheon was served in the Lang Gymnasium at twelve-thirty, after which the alumni attended a ball game between the Governors and the Kimball Union nine. At five-thirty a business meeting was held in the Cobb Room and officers were elected for the next year.

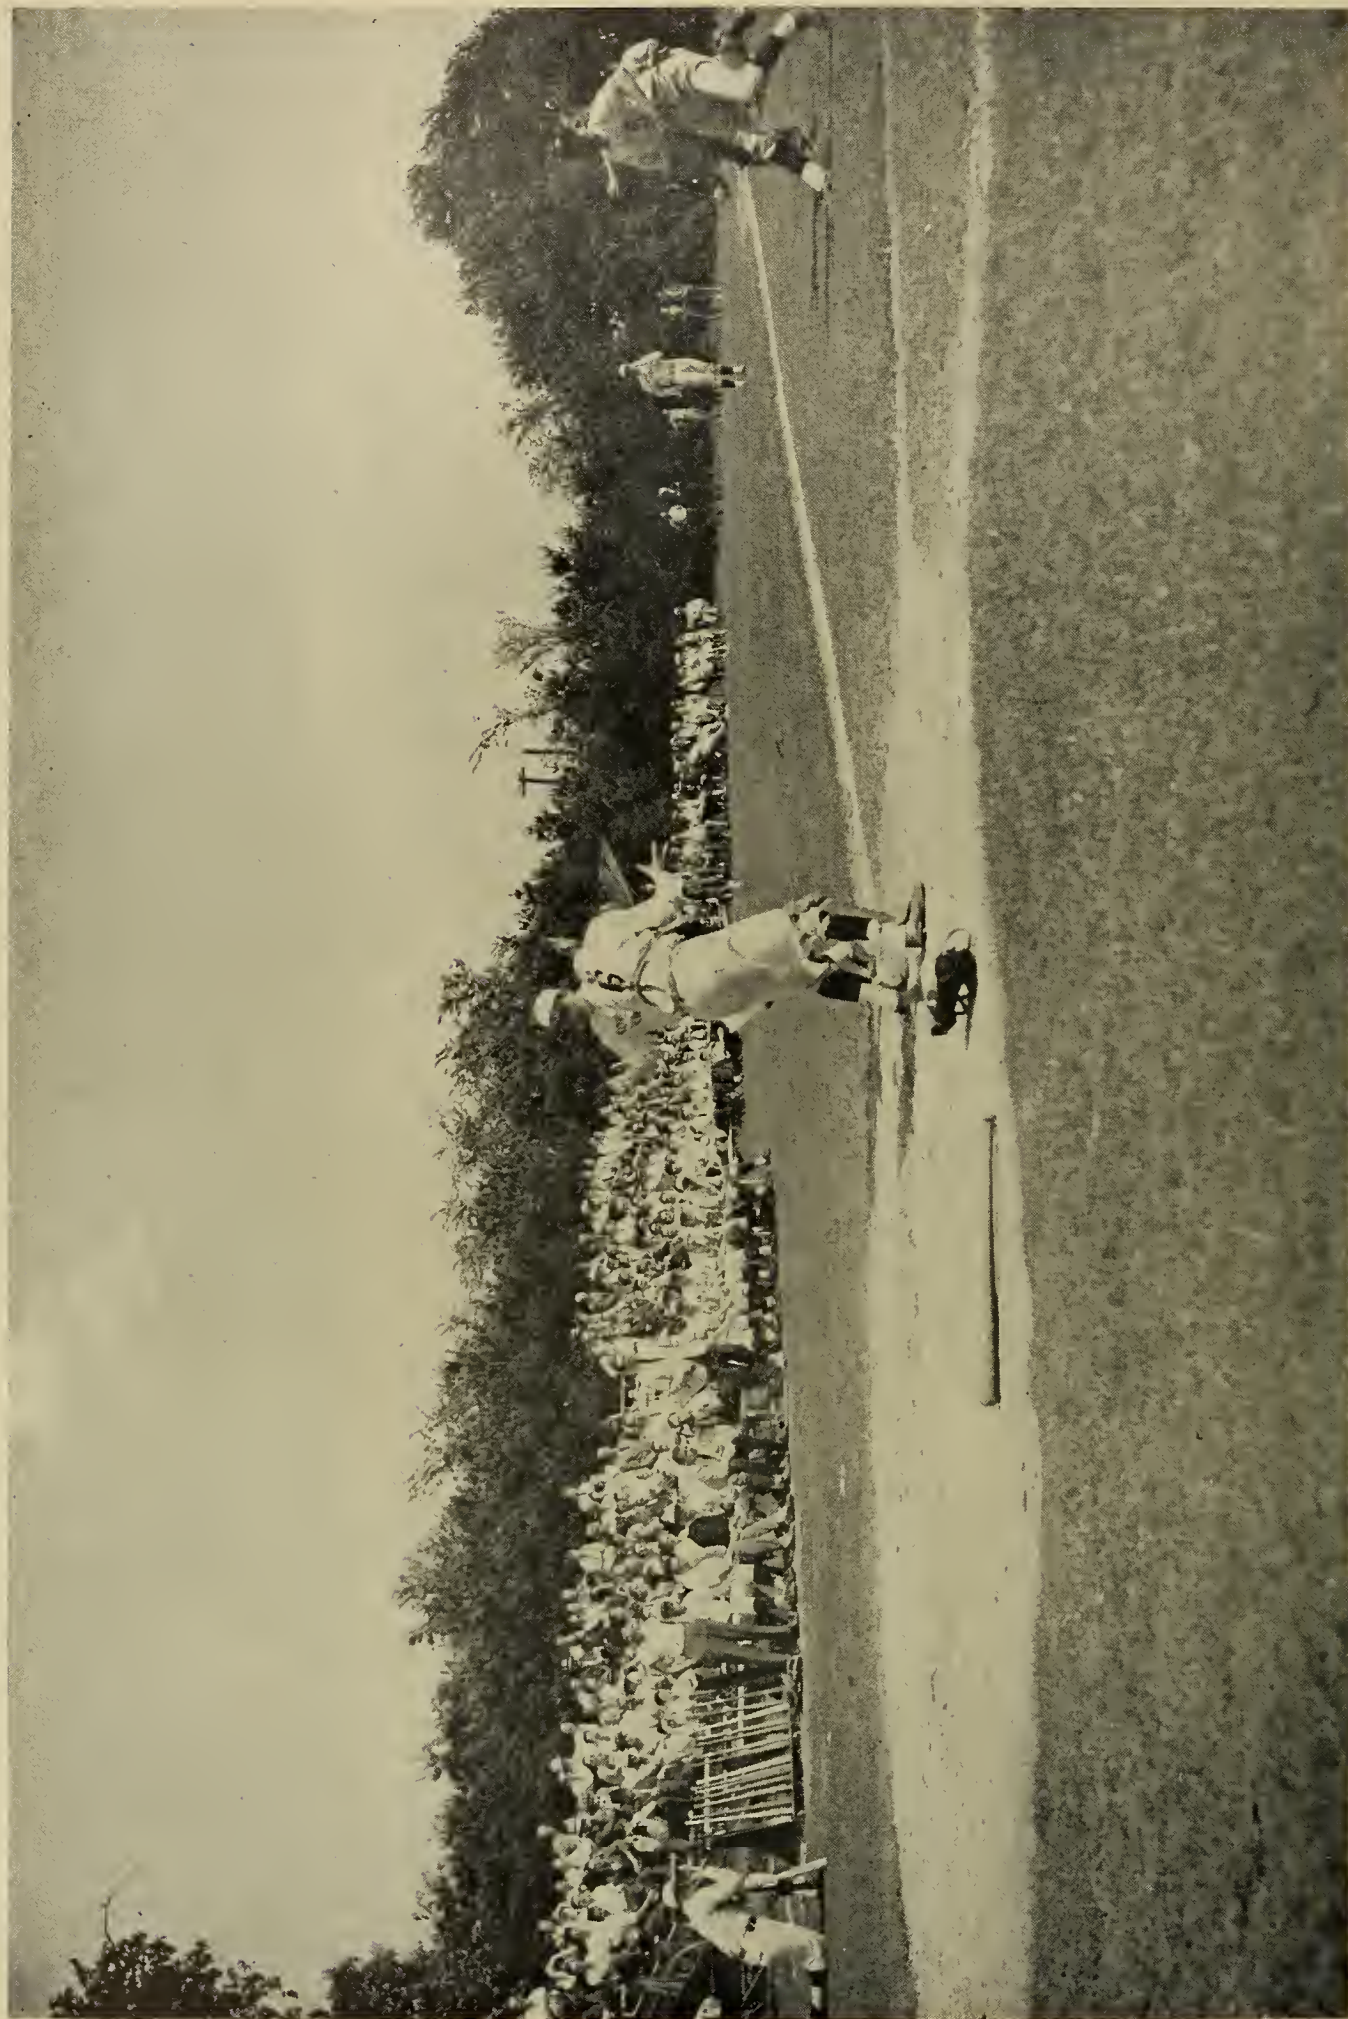

The day's activities closed with a banquet which began at six-thirty in the evening. Dr. Charles S. Ingham, former headmaster of the Academy, was present and extended his greetings to the alumni, many of whom studied here under his headmastership. Mr. Eames acted as toastmaster for the occasion and introduced Mr. Mercer, Mr. Sager, Mr. Murphy, Mr. Stone and Mr. Navins, each of whom made a short speech recalling incidents from their experience at Governor Dummer; Mr. Dunning was prevailed upon to take a bow. The alumni were represented on the program by Richard Schanzle, who spoke of his adventures as a Marine lieutenant on Guadalcanal.

The Governor Dummer Glee Club sang two groups of selections as a part of the evening's entertainment, and Mr. Sager conducted the assembled alumni and undergraduates in community singing. At the close of the banquet the headmaster read the Honor Roll of twenty-eight graduates who gave their lives during the war, and Mr. Sager again conducted the entire assembly in singing 'The Lord's Prayer'.

NOTED POET ADDRESSES ACADEMY AND GUESTS

Mr. David Morton, former Amherst professor and 'poet laureate' of New England, spoke to the students, faculty and guests of the Academy in the Cobb Room on Friday evening, April 26. He chose as his topic the curious irrelevance of lyric poetry considered in the light of contemporary circumstances. By seeking inspiration in the humblest aspects of our lives, the lyric poet achieves in his work a timelessness akin to the basic order of our world.

STUDENTS DEBATE ON TOPIC OF MILITARY CONSCRIPTION

At evening meeting, March 1, six students took part in a debate on the subject: Resolved, that every boy over eighteen years of age should be required to take one year of military training. The entire student body attended the debate which was held in the Cobb Room of the Phillips Building. Harry Lowell, George Duffy, and Peter Wiles spoke for the affirmative, and the negative side of the question was upheld by Douglas Miller, Bob Hadley, and Charles McLaughlin. Judges for the debate were Mr. Lisenard B. Phister and Mr. Gayden W. Morrill, trustees of the Academy, and Mr. Mercer, chairman of the English department. Their decision gave the victory to the affirmative side.

EDITORIAL

At a recent Vesper Service, Mr. Eames asked us to think through the meaning of a certain responsive reading while we read the words. He pointed out that the things we read and say very often become habitual and therefore lose their impact. The prayers we say, the hymns we sing, the scripture lessons we read and re-read, the grace we hear three times a day . . . these things we take for granted so that much of their beauty and value is lost to us. The whole idea and spirit of the Vesper Service eludes some of us for this reason.

What is this service we attend each Sunday evening? Is it merely a means of checking attendance after the weekend, or the

vestigial remain of some dim religious experience? It is, first of all, what we as individuals make it. If we do our share, it is a refreshing experience which can start us out on a new week of work with restored vigor. It is a meeting which brings us together in an atmosphere of calm where the trials and problems of the classroom and the athletic field are set aside at least momentarily. It is a chance to tie up the loose ends of our lives and rededicate them to the best purposes we know. It is a time to commune with the past in old hymns and thought-provoking scriptural passages, and to glean from the words of visiting speakers some new inspiration for our daily tasks.

The tradition of the Vespers Service is very strong at Governor Dummer. Many alumni writing from all parts of the country, and, during the war, from all parts of the world, mention this Sunday evening meeting as one of the experiences which stands out most in their memories. Some of them admit that they did not fully understand its meaning until they had left the Academy, but now they look back on it with real appreciation. We, who are now here, may learn from their experience. By putting our best into the Service we shall take from it a new strength and a new wisdom. If, on the other hand, we take it for granted and do not give it the benefit of our serious participation, we lose its meaning and its value. B.R.H.

SCHOOL MACHINE SHOP MAKES BELL CLAPPER FOR EXETER

The school's machine shop, completely equipped with lathes, drills, metal saws, and other machine-tooling equipment, has provided constructive work and recreation for a large number of boys this year. Mr. Nelson, machine shop instructor, has supervised students in making various useful articles such as identification tags, drainage grills, and metal gauges. The boys have also had experience in assembling motors and have recently reconditioned one of the school's tractors.

This year as a special project members of the machine shop classes made a clapper for the bell in the Academy Building at Phillips Exeter Academy. The original clapper for this bell had been stolen and a makeshift substitute was in use until the new one arrived.

GOVERNORS' NINE LOSES, 4-0 AT DEERFIELD COMMENCEMENT

On June 5 the Governor Dummer baseball team travelled to Deerfield to play in the annual Commencement Day game at Deerfield Academy. They lost the game 4-0 to a strong opponent in a hard-fought contest.

Fritz Freeman pitched beautiful ball against the hard-hitting Deerfield squad, striking out eight men and allowing only seven hits. The Governors did a good job in the field, making only 1 error. Gebhart, the Deerfield pitcher, allowed 3 hits.

FIRST POST-WAR SKI TRIPS ENJOYED BY STUDENTS

The first ski trips to the White Mountains since the beginning of the war were arranged for Sunday, January 27 and Sunday, February 3. A group of twenty-six boys, under the supervision of Mr. Soule and Mr. Traver, left school by bus early on each of these Sunday mornings for the Belknap Mountains Recreation Area, near Gilford.

GOVERNORS CLOSE FOOTBALL SEASON WITH 18-7 TRIUMPH

The Red and White eleven concluded a fine season on Morse Field, November 10, by winning from Tabor 18-7. Dick Walsh scored all 18 points and turned in a fine defensive game to pace the team. The first score came in the opening quarter when Pete Sutton whipped a 20-yard pass to Walsh in the end zone. Before the half ended, the Sutton-to-Walsh combination registered again as Pete pitched a beautiful 35 yard heave to the big Red and White end. The Governors started the second half with a roar as Dick Walsh grabbed a Tabor aerial and sped 60 yards to end the Red and White scoring. The Tabor boys fought hard throughout the game and scored late in the final quarter on a series of flat passes.

Captain Ed Maxson, Pete Sutton, Aldred, and Oliver stood out for the home team in its final appearance of the season. After the supper, which followed the game, a victory bon-fire was lighted. At this celebration speeches, singing, and cheering brought fall athletics to a thrilling close.

MR. SOULE, SKI INSTRUCTOR, PERFORMING ROUELLE ROLL

GOVERNORS PLACE THIRD IN PRIVATE SCHOOL MEET

On May 18 the Governors scored 8 points in the New England Private School track meet to rank fifth among all contestants and third in their own Class B group. Pete Sutton was responsible for seven of the 8 points, getting a close second in the 100 yard dash and a third in the 220 yard sprint. Walter Nichols took fifth place in the javelin throw to account for the other point. Among nine schools competing in the Class B group, Moses Brown ranked first Worcester Academy second, and Governor Dummer third.

HARVARD DOWNS GOVERNORS IN LACROSSE BY 7-5 SCORE

On Wednesday, May 15, the Governors' lacrosse team was defeated 7-5 by the Harvard varsity on Morse Field. The teams were evenly matched and the contest hard-fought throughout. Scoop Sutton, playing his best game of the year so far, accounted for two of the goals, and McCusker, Aldred and Dennett tallied once each. Captain Hal Kingsland, Hertel, Ortega, and Baldwin all played fine games for the home team.

GOVERNORS UPSET MILTON ACADEMY QUINTET, 42-35

The Red and White basketball team upset a favored Milton team 42-35 on the home court, February 9. The Governors scored first but Milton came back fast and the score was knotted at the end of the first quarter, 9-9.

At the half the count had reached 20-18 in favor of the home team. The third period was fast-moving. Milton surged ahead and halfway through the stanza led 27-24. The Governors then put in four straight hoops to end the quarter 32-27 in their favor. The team played a defensive final period, but, with Freeman and Bob Deering stacking up points on long shots, the outcome was never in question.

The defensive play of Oliver and Kimball, coupled with Walsh's brilliant all-round game, provided many thrills. Walsh was high scorer with 18 points, and Bob Deering and Freeman followed with 10 and 8 points respectively. Tom Magoun was the only substitute who saw action. Throughout the game both teams played heads-up ball and the spectators enjoyed one of those rare contests in which the competitions are well-matched and equally aggressive.

HOCKEY TEAM LOSES TO NOBLES IN OVERTIME, 4-3

At Dedham on February 4 the Governor Dummer sextet ended a 4-game winning streak by losing to a fast-skating Noble and Greenough team. Ash Eames opened the scoring with a goal in the first period. Both teams played a hard-hitting second period, with the Governors scoring twice and Noble and Greenough tallying twice. The score stood at 3-3 to the end of the third period and an overtime was played. After 1 minute and 52 seconds of the extra period, the Nobles scored to win 4-3. Ash Eames, with one goal, and Dick McCusker, with one, were outstanding for the Red and White.

Line-up: g, Wilson; rd, Nichols, E.; ld, Aldred; c, Sutton, H.; rw, Bailey; lw, Sutton, P.

Alternates: McCusker, Hall, Eames, Blumenthal, Dennett, Sadowski.

TENNIS TEAM PLAYS MIDDLESEX TO 3-3 TIE

On Saturday, April 20, the Governor Dummer tennis team played its first game of the season against a competent Middlesex aggregation on the home courts. The match ended in a 3-3 tie after the two teams had split honors evenly in both singles and doubles. Captain Joe Welch was outstanding for the Governors, first winning in singles, and then in doubles with John Morgan.

YOUNGER BOYS ENJOY ACTIVE SCHEDULE IN CHIEF SPORTS

Inter-school competition in major sports has been open as usual to many of the younger boys. In the fall the J. V. football team played a schedule of five games, winning two, losing two and tying one. A special 'pony' team was organized for the lightest group of football enthusiasts, and this team played four games, bringing its season to a climax with a 19-0 victory over the Emerson School. In soccer the J.V. team played two games against the Brooks School, losing one and tying one, and defeated Tabor Academy's J.V. squad in the final match.

Throughout the winter season a basketball league was open to boys unqualified for the varsity team in that sport. Eight teams competed in this league and the grand winner of the season was awarded a steak dinner as prize. In the winter also a J.V. hockey team played an active schedule of inter-school matches.

This spring J.V. teams have been active in lacrosse and baseball. The J.V. baseball team had four scheduled games of which they lost two, won one, and tied one. The lacrosse J.V.'s played four games, including matches with the Andover Freshman and the Club All-Stars of Exeter Academy.

The athletic program is so planned that every student fits into it with a maximum of choice. Inter-school schedules for the boys have been a feature of the program for years.

ALDRED ON END SWEEP IN KIMBALL UNION GAME

EXETER DOWNS GOVERNORS, 1-0

On October 3, the Governors' soccer team lost 1-0 to a strong Exeter Academy team at Exeter. Miguel Ortega, acting captain for the game, won the toss-up and the Red and White started with a strong wind in its favor. They pressed hard throughout the first period but were unable to score.

At the beginning of the second period one of the Governors accidentally scored Exeter's lone goal when he kicked the ball into his own cage while trying to block an Exeter kicker.

Fritz Freeman, a newcomer to soccer, played the difficult goal position with brilliant success, and the sheer determination and stick-in of every player on the team made the game thrilling to watch.

Line-up: g, Freeman,; rfb, Heyl; lfb, Mayo; rhb, Lyons, Curtis; lhb, Ellsworth, Duffy,; ro, Wiles, Houston; ri, Waugh, Leighton; cf, Ortega; li, Hall; lo, Eames.
